MASTER SERVICE AGREEMENT

Agreement No. PUP-MSA-2026-014

This Master Service Agreement (the **Agreement**) is entered into as of 1 January 2026 (the **Effective Date**) by and between **Pinnacle Upstream Philippines Inc.**, a corporation organized under the laws of the Republic of the Philippines (the **Company**), and each contractor that executes a Contractor Schedule under this Agreement (each, a **Contractor**). The Company and each Contractor are referred to individually as a **Party**.

ARTICLE 1. DEFINITIONS

1.1 Site. means Bukid Field, Well Pad BK-07, including its access roads, gates, and the Company camp.

1.2 Company Representative. means the individual designated by the Company to direct operations at the Site, approve field tickets, and record daily reports.

1.3 Field Ticket. means the Contractor's daily record of personnel, equipment, quantities, and hours supplied at the Site.

1.4 Contractor Schedule. means the schedule attached as Exhibit B that identifies a Contractor, its term, and its applicable rates.

1.5 Day. means a calendar day. A day rate covers up to twelve (12) hours of work unless the Rate Schedule states otherwise.

ARTICLE 2. TERM

2.1 Term. Agreement runs from Effective Date to Expiry unless a Contractor Schedule states a shorter term. Charges for work outside the applicable term are not payable.

2.2 Expiry Date. Unless terminated earlier, this Agreement expires on 31 December 2026.

2.3 Extension. A Contractor Schedule may be extended only by a written amendment signed by both Parties before the end of its term.

ARTICLE 3. SCOPE OF WORK

3.1 Work Orders. Contractor shall perform the services described in its Contractor Schedule as directed by the Company Representative.

3.2 Site Access. All Contractor personnel and equipment shall enter and exit the Site through a Company-controlled gate and shall be recorded in the gate log.

3.3 Weather Suspension. The Company Representative may suspend operations when weather conditions make work unsafe. Contractor shall comply immediately and shall not resume until directed.

ARTICLE 4. RATES AND CHARGES

4.1 Rates. Work is billed at the rates in Exhibit A. Rates include fuel, consumables, and contractor overhead unless Exhibit A lists an item separately.

4.2 Standby. Equipment left on location but idle due to weather or Company instruction is billable at 50% of its day rate. Personnel stood down off location are not billable.

4.3 Minimum Charge. Crane call-outs carry a one-day minimum per mobilization.

4.4 Rate Adjustments. Rates are fixed for the term of each Contractor Schedule and may change only by written amendment.

ARTICLE 5. FIELD TICKETS AND TIME

5.1 Field Tickets. Every charge must be supported by a field ticket signed by the Company Representative. Unsigned tickets are not payable until signed.

5.2 Content. Each Field Ticket shall state the date, ticket number, personnel by name and role, equipment by identifier, hours or quantities, and the Rate Schedule code for each item.

5.3 Hours. Personnel hours are measured from gate entry to gate exit, as recorded in the gate log, except as provided in Section 5.4.

5.4 Travel Time. Personnel travel between contractor base and location is billable at standard hourly rates, capped at 2 hours each way per day.

ARTICLE 6. INVOICING AND PAYMENT

6.1 Invoicing. Contractor invoices weekly. A field ticket may be billed only once; resubmitted tickets are not payable.

6.2 Supporting Documents. Each invoice shall reference the Field Tickets it bills and attach copies of them.

6.3 Payment. The Company shall pay undisputed amounts within thirty (30) days after receipt of a correct invoice.

6.4 Disputes. The Company may withhold any disputed amount by written notice identifying the invoice line, the amount, and the reason. The Parties shall attempt in good faith to resolve the dispute within fifteen (15) days.

ARTICLE 7. GENERAL

7.1 Audit. The Company may audit any invoice, Field Ticket, or supporting record for two (2) years after payment and may recover any amount found to have been overbilled.

7.2 Health, Safety and Environment. Contractor shall comply with the Company's HSE policies and all applicable laws while at the Site.

7.3 Exclusions. The following are not billable: fuel surcharges, mobilization/demobilization unless pre-approved in writing, and meals for contractor personnel housed at Company camp.

7.4 Governing Law. This Agreement is governed by the laws of the Republic of the Philippines.
